

KITS & ACCESSORIES

Fractional & Integral Horsepower Motors

A Variety of Kits & Accessories Available for Field Conversion

Kits & Accessories are available for easy and quick field conversions of many U.S. Motors® brand fractional and integral stock motor products. The following pages outline our current available kits and accessories. Refer to the description field on the Fractional Horsepower Motor (FHP) Accessories page to identify the correct kit or accessory for your stock FHP motor application.

Use the chart below to assist in identifying the correct kit or accessory for your stock Integral Horsepower motor application.
